hybrid event
18-21 November 2022
Malta

Welcome

It is our greatest pleasure welcome you to the 18th National Congress of the Romanian Society of Urogynecology, hybrid event, that will take place between-November 18-21, 2022. This year special edition will take place at Dolmen Hotel, Malta with the support of the Malta College of Obstetricians and Gynecologists.

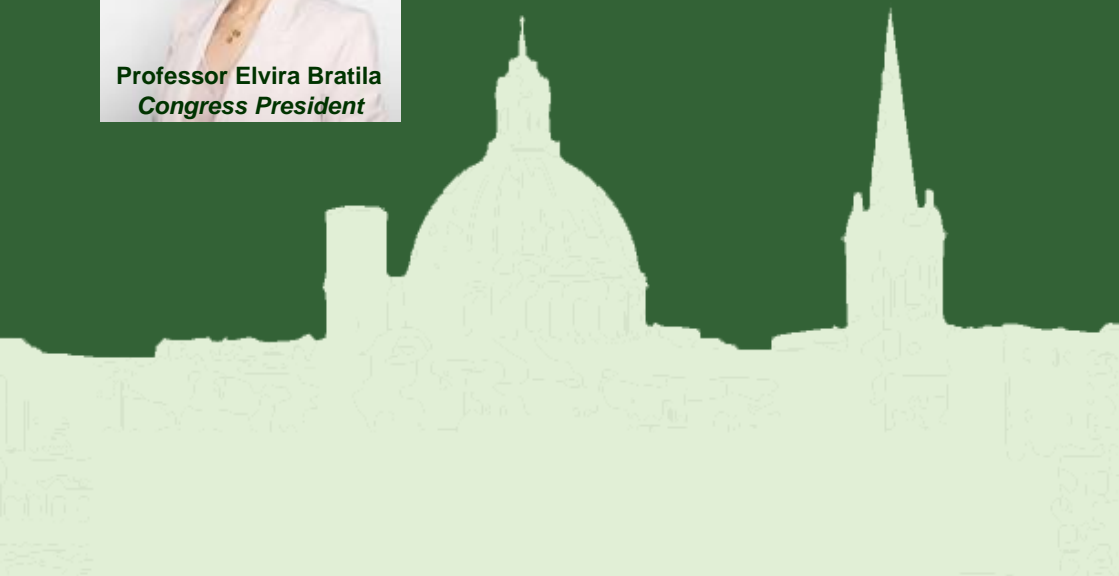

The unique venue will allow us to broaden our network of specialists in the field of urogynecology not only from Romania and Malta but from all over the world. We are committed to high standards of research and every participant and speaker plays an important role and contributes to an outstanding knowledge experience in the field of urology and urogynaecology. The exclusive scientific event will bring together international lecturers with extensive experience and knowledge in the field of urology and urogynecology surgery, hormonal therapy and more.

We are glad that you are a part of this project and hope it will exceed your expectations.

Thank you again for joining us!

Professor Elvira Bratila
Congress President

Useful Information

The official language is **English**.

Registration Desk. The scientific secretariat is located within the Dolmen Hotel and will have the following schedule:

Friday, November 18, 17:00 – 19:00

Saturday, November 19, 08:30 – 18:00

Sunday, November 20, 08:30 – 16:00

Badge. It is issued for all participants registered at the event and for exhibitors. Access to the conference halls, the exhibition space, coffee breaks and meals will be strictly based on the badge issued at the Registration Desk. Throughout the duration of the event, coffee breaks will be provided near the exhibition area for all registered participants.

Oral Presentation. The materials for the oral presentations (memory stick) must be delivered to the room where the presentation will be held before the start of the session. The event organizer does not assume responsibility for changes in the program due to external or unforeseen circumstances.

Certificate of attendance.

It is issued exclusively in electronic format, after completing a feedback questionnaire, sent by email, on Wednesday, November 23.

For the exclusively online participants, after the completion of the event, an evaluation questionnaire will be sent to the email addresses with which registration for the Congress was made. After completing the questionnaire, the certificate of participation will be issued! We specify that the event platform will quantify the number of hours of attendance. Participants must login a minimum of 75% of the total hours of the scientific program to benefit from the points for continuing medical education.

For the participants. The Organizing Committee and PROevents & Conference do not assume responsibility for damage or destruction of any kind due to the participants or their companions, nor for the loss or damage of the luggage or other personal belongings of the participants. Any expenses incurred at the hotel restaurants or at the mini bar in the room will be borne in full by the participants.
